

ALI ASHEERI

Marketer fascinated by one question: why do people do what they do?

Combining consumer psychology, data analytics, and AI to find answers.

✉ ali.asheeri.work@gmail.com 📞 +973 6696 3006 (WhatsApp) 🌐 aliasheeri.github.io in linkedin.com/in/ali-asheeri-522991368 📍 Manama, Bahrain

WHAT I BRING

Marketing & Psychology

Consumer behavior, brand strategy & the science of persuasion

Data Analytics

SQL, Tableau, Python & spreadsheets — decisions backed by data

Project Management

Agile & traditional — from initiation to delivery

AI Tools

Prompting, AI-assisted workflows & responsible use

EXPERIENCE

Marketing Team Member

2021

INJAZ Bahrain — Student Sustainability Startup

Contributed to brand positioning and marketing strategy for a startup transforming discarded materials into home furniture. Hands-on experience in entrepreneurship, teamwork, and pitching — from idea to real product.

Field Archaeologist

2023

Bahrain Authority for Culture & Antiquities — Buri Site

Worked within a structured field team on systematic excavation and documentation. Built discipline, precision, and adaptability in demanding conditions.

E-Commerce Store — University Project

2026

Shopify

Built a fully functional online store as part of a university project: store setup, user experience design, audience targeting, and social media marketing — applying marketing concepts end-to-end. Concluded with the project.
